

“Clay Modelling Competition”

Clay Modelling is an activity that helps in the development of students in several ways. It nurtures a student’s creativity, boosts imagination, and imbibes self-confidence. Thus, through Clay Modelling, a student can bring imagination to life. Competition was organized by the **NSS unit of Uka Tarsadia University** to celebrate the **Azadi ka Amrit Mahotsav (75 Years Completed)** on **08/09/2022** at Raman Bhakta School of Architecture, UTU. Total 13 students were participated in this competition. 150 minutes of time period given to the participant. This competition was coordinated by Ms. Vrutika Lad and Dr. Ajit Joshi. Judgment of competition was given by Dr. Vilesh Bilimoria and Mr. Dipen Desai. Yash Sharma student of Godavari Baa School of Interior Designing and Mansi Jalodara student of C. G. Bhakta Institute of Biotechnology was declared winners. They were appreciated with a certificate. We, the entire family of UTU are proud of them.
