## “Slogan Writing Competition – Climate Change”

Climate change won't just impact forest, or coral reefs, or even people in far-off countries – it will affect all of us. From more extreme weather to increasing food prices, to recreation and decreased opportunities to appreciate the natural world, people everywhere will feel its effects. So, for awareness competition was organized by the **NSS unit of C. G. Bhakta Institute of Biotechnology, Uka Tarsadia University** on **28/09/2022**. Total 16 students (14 Girls + 2 Boys) were participated in this competition. 120 minutes of time period given to the participants. Topics for competition were Environment, Climate change, Forest, Biodiversity, Waste Management. This competition was coordinated by Ms. Vrutika Lad. NSS volunteer named Kamal Yadav who took their responsibilities very well. Judgment of competition was given by Prof. Rajashekhar Ingalhalli and Ms. Dixita Panchal. Khushi Singh, Riya Kapdi and Hemanshi Rajapra were declared first, second and third winners respectively. They were appreciated with a certificate. We, the entire family of CGBIBT, UTU are proud of them.

### **Selected Slogan:**

- 1) Think Clean and Go Green, Go Green to Keep this World Clean!
- 2) Let's Nurture the Nature so that, we can have a better Future.

### 3) Nature doesn't need us, we need it...
