

International Women's Day Celebration

March 9th, 2023

On the occasion of International woman's day, Women cell and committee against sexual harassment, C.G. Bhakta Institute of Biotechnology, Uka Tarsadia University has arranged an expert talk for 4th and 5th year students of Int./ M. Sc. Biotechnology/ Microbiology) on 9th March, 2023 under the theme "DigitALL: Innovation and technology for gender equality". The session was coordinated by Dr. Dhruvi Amin and Ms. Divya Patel. Total 83 students (68 Female and 15 Male) have attended the session.

Two expert talks were organized under the heading of "Work life balance".

First expert talk was delivered by **Dr. Renu Chauhan, Director, Maliba Pharmacy College, Uka Tarsadia University**. Talk has mainly focused on work- life balance: what it is and why it matters in one's life. She has shared several examples and her life experiences with students.

Dr. Naga Rathna Supriya has delivered the second expert talk of the session highlighting the importance of self-motivation, family bonding, mental strength and how to balance the outer challenges with inner strength. The session was very much informative.
