

Spirituality Committee

The spirituality committee, the most recent one, has been organized by CGBIBT for

- Developing among students an inclination towards God who accompanies us in the form of a guiding force in daily activities
- Making the students accept the fact of different forms of God as one existence which develops in them a sense of brotherhood
- Creating a healthy and caring atmosphere in the campus
- Adopting YOGA and MEDITATIONAL practices which will develop concentrating ability among students and staff members
- Conducting various programs which are likely to lead them towards spiritual life
