

ACADEMIC YEAR 2021-2022

Women Safety Cell

Women Safety Cell has been constituted by CGBIBT to ensure the safety of girl students, teaching and non-teaching women employees. The following measures have been taken:

- CCTV cameras have been installed in about all areas of the Institute
- The committee members regularly counsel the female students to keep themselves away from situations that may endanger them
- The members regularly patrol and monitor the campus environment
- The female students & staff members are not allowed to stay in the premises late hours
- Under unavoidable circumstances, they are escorted till they reach safely
