

INSPIRE SCIENCE CAMP 2018 UNDER INTERNSHIP SCHEME

(Innovation in Science Pursuit for Inspired Research)

Sponsored by

Department of Science and Technology, Government of India

Organized by

Uka Tarsadia University
Bardoli, Surat-394350, Gujarat

Date
05-09th,
September 2018

Don't miss this
rare
opportunity..

ABOUT THE PROGRAMME

One of the components of "Scheme for Early Attraction of Talent for Science (SEATS)" is INSPIRE Internship program by the Department of Science and Technology, New Delhi in which annually about 50,000 students of top 1% performers in Class X board examinations and pursuing science at higher Secondary level are being given an exposure with leaders in science in the Summer/Winter camps to experience the joy of innovations. These Science Camps essentially nourish the curiosity of children in science; help them to think out of the box and attract the students at an early age of 16-17 years (i.e. in XI standard) to enroll in science subjects.

About 150 students will be selected for this 5 days residential camp. The camp will be addressed by 10-11 eminent Scientists/Professors from premier institutes of India. The morning sessions will be devoted to interactions with the mentors who will share their experiences of scientific pursuits, motivation and how they stumbled upon questions of interests. The afternoon sessions will be dedicated to hands-on experiments where students will perform simple guided experiments in microbiology, biotechnology, physics, and chemistry. In the evening sessions, students will be engaged in discussions based on the guided experiments they performed. Further, students will also participate in discussions on scientific reasoning, and identifying scientific solutions to global issues.

Eligibility

Class XI Students Pursuing Science & secured
10th Standard Mark

- Gujarat State Board : 86.4% and above
- ICSE : 95% and above
- CBSE: A1 grade (99.6%)
- The student should have not attended a similar internship camp elsewhere earlier

❖ No Fee. One or two staff from each School can accompany their students

❖ Free Boarding and Loading for Students and Staff

❖ Travelling allowance for outstation students through the shortest route by bus or train (sleeper class)

❖ Free registration kit

Students are Invited

Interested eligible students should fill up the application form. The completed application with two passport size photo and an attested copy of the Class X mark sheet should be submitted to the respective Principal/Head of the Institute. The Principal or Head of the Institute shall verify, endorse the student application form and send all applications to the Coordinator on or before 30th August 2018.
