

Prof. Dr. Krishnamurthy received the Fellow status award from the Environmental Institute, Nigeria.

It is indeed a matter of pride for UTU as **Prof. R. Krishnamurthy**, Director, C.G. Bhakta Institute of Biotechnology & Dean-Faculty of Science was conferred the highest honor of **Fellow status** award by the **Chartered Institute of Environmental & Public Health of Nigeria** on **28th April 2017 at Lagos, Nigeria** for his outstanding contribution to Biotechnological Innovations, Environmental Research & Development. The UTU fraternity wishes that may he be honored with many such accolades in future. Congratulations & all the best for your future.
