

Industrial Visit (9/2/2019)

Industry: Emami Ltd., Vapi

C. G. Bhakta Institute of Biotechnology conducted an industrial visit on 9/2/2019 for students of Microbiology and Biotechnology courses. About 40 students and 5 faculty members Ms. Vrutika Lad, Dr. Meonis Pithawala, Ms. Shraddha Saha, Mr. Rushabh Shah, Mr. Sanjay Patel participated. The main purpose of the industrial visit was to expose students to the industrial environment.

Emami Ltd. is one of the leading and fastest growing personal and healthcare businesses in India, with an enviable portfolio of household brand names such as Zandu Pancharist, Zandu balm, Navratna, BoroPlus, Kesh King, Mentho Plus blam and Fair and Handsome.

We started at 7:30 am from Bardoli and reached by 10:00 am at Emami Ltd., Vapi. First students were informed about the products and profile of the company in an interactive session. The production area, disposal area, quality control area and packaging facilities were shown to the students by the representatives of Emami. After that feedback from the students and teacher was collected. On wayback, we went to Tithal beach, had lunch. Students enjoyed the place and then returned to Bardoli by 9:00pm.
