

Research Students attend workshop at GBRC, Gandhinagar

Three research students namely Jignasha Chauhan, Neha Shukla and Prachi Pandya were selected for attending a workshop at Gujarat Biotechnology Research Centre, Gandhinagar. The workshop highlighted the features and hands-on on important techniques like GC/GC-MS and Supercritical Fluid Extraction (SFE). Out of the limited 10 seats, these 3 students of CGBIBT bagged the position for attending the workshop.
