

Report of Online Certificate course in Recombinant DNA Technology(First Batch)

Online Certificate course (25hrs) in Recombinant DNA Technology has been conducted successfully from 23rd May to 27th May 2020. All lectures were delivered by Dr. Gopal Jee Gopal, Asst. Professor, C.G. Bhakta Institute of Biotechnology. There were 117 paid participants from different regions of India like Central University of Kerala, Central University of Hyderabad, Dr. Harsingh Gaur central University, Delhi University, University of Allahabad etc. There were several teachers and research scholars also. One of the participants were from USA(Pursuing M.Sc. at USA) also. Participants were addressed by Ms. Anasuya Bhadalkar, Joint Director, GSBTM, Dr. Arvind Deshmukh, President Microbiologist society, Mr. Ashwani Kumar Mishra, MD. DNAXpert Pvt. Ltd. Delhi, and Prof. R. Krishnamurthy, Director, C.G. Bhakta Institute of Biotechnology & Dean, Faculty of Science, Uka Tarsadia University during inauguration and valedictory.

Let me quote Feedback from participants of Batch-Ist as follow:

1. “Awesome online classes by Gopaljee sir...Excellent way of teaching , interactive class and doubt clearing session on RECOMBINANT DNA TECHNOLOGY.. that were helpful for NET exams , research and higher studies...i also learn to enhance my teaching and how to deal with student. Most influence thing about you sir is your patience to take

5hrs long class daily and mostly 200 question you deal in all session. Really sir I'm very thankful to you and i always feel blessed that you are my mentor”

- Vikash Kumar Dev
- M.Sc.
- Jharkhand

2. “This was the best initiative to use the time of lockdown wisely. The Lectures on R- DNA tech are very useful being a biotechnology student, it is very necessary to clear ur basic concepts and learn a practical approach. Sir lectures are really helpful in troubleshooting some basic doubts which somewhere or other we neglect. It was a very good experience and it wld surely help me in my research and higher studies. I m blessed that i m ur student and uh wld always be there lighten our paths..!! ”

- **JuhiRawal**
M.Sc. Student,
ARIBAS, Anand

3. “It was a great learning experience, sir I really enjoyed being a part of this course. Your indepth teaching with comprehensive course contents and nice question-answer sessions has undoubtedly made it a memorable one for all the participants. Thank a lot.”

- **Dr. Viral Patel**
Principal,
Smt. L. M. Shah Science College, Radhanpur

4. “Great sir excellent sessions. Thank you and your team for arranging such courses. Its your efforts and hardwork that has made it possible even in difficult times.”

- **Dr. Arti Raval**
Asst. Professor at Arts, Commerce and
Science college, Navsari, Gujarat, India

Coordinator: Dr. Gopal Jee Gopal
