

Report of Online Certificate course in Recombinant DNA Technology(Batch-II)

Online Certificate course in Recombinant DNA technology (25 hrs) has been conducted successfully with 100 paid participants from 6th June 2020 to 10th June 2020. Participants were HoD, Associate professor, scientist, Research scholars, PG and UG students from different corners of India. One of the participants was from Australia also (She did her M.Sc. from Australian University). All lectures were delivered by Dr. Gopal Jee Gopal, Asst. Professor, C.G.Bhakta Institute of Biotechnology. Prof. Arvind Deshmukh, President, Microbiologist society, Prof. Pratyosh Shukla, Rohtak, Ms Anasuya Bhadalkar, Joint director, Gsbtm, Mr. Ashwani Kumar Mishra, MD, DNAXperts Pvt Ltd, Dr. Dinesh R. Shah, Provost, UTU, Prof. R. Krishnamurthy, Director, C.G.Bhakta Institute of Biotechnology & Dean, Faculty of Science, Uka Tarsadia University have graced inauguration and valedictory function of this course.

Let me quote Feedback from participants of IInd Batch as follow:

1. “The 5 hour 5 day course was executed brilliantly not only in terms of Dr Gopal’s teaching the material but only in the way he handled queries and levels of understanding of all 100 students. His delivery was not hurried and participants were challenged to think and answer questions throughout the teaching. One topic was explained more than once and with many examples from Dr. Gopal’s experiments and research. The course has innumerable real life applications and will help future researchers in transferring this theoretical knowledge into practical and laboratory work.”

- **Aakanksha Kumar**
M.Sc. Biotechnology

RMIT University Melbourne, Australia

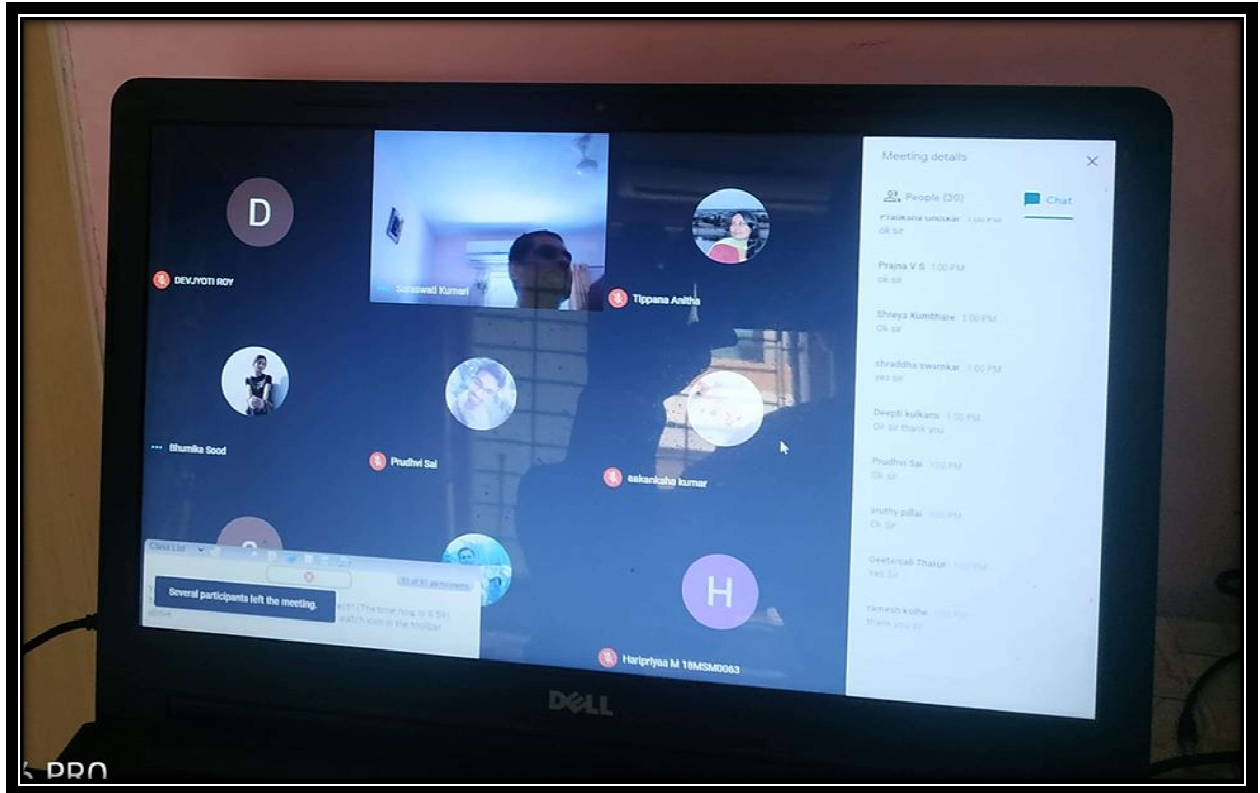

2. “It was carried out smoothly but, when the staffs are included, then the time scheduled has to be though off; since you are spending more with the students the staffs are held up. I will never forget your slideshow, the way you delivered the lecture. Your institution is gifted with you. No wonder your students are succeeding in colours... All because of you.....May god shower his blessings on you and your family Bai...We will be happy if you give some pdf material to all.”

- **DR. SEELI BALAJI**
Assistant Professor
PRESIDENCY COLLEGE, CHENNAI

3. “Your online workshop is a nice way to give knowledge in lockdown condition. Your way of presentation was very nice.”

- **Dr. Rajesh Kachouli**
Teacher

Govt. Geetanjali Girls P.G. College, Bhopal

Coordinator: Dr. Gopal Jee Gopal
