

Report on International student visit to Uka Tarsadia University

Name of Student	Ms. Goodness
Country	Abuja (Capital of Nigeria)
Date of visit	December 10,2019
Purpose for visit	For admission in Professional Science and Technology programmes of Uka Tarsadia University
Approved by	Prof. Dr. R. Krishnamurthy (Director, C.G.Bhakta Institute of Biotechnology)
Accompanying faculty members	Dr. Shrikant V. Joshi Mr. Sachin Gupta Mr. Krishna Patel Mr. Jignesh Gadhiya Ms. Snaa Mistry

The International student visit to Uka Tarsadia University was organized on 10th December 2019 for an engineering student from Abuja(Nigeria) named **Ms. Goodness**. She is pursuing her graduation degree in engineering course from Anand (Gujarat) based college. The student guest was accompanied by various faculty members from different departments. The visit started from CGBIBT department where **Prof. Dr. R. Krishnamurthy** opined Ms. Goodness about the current projects undergoing in Biotechnology department and also briefed her about the live sciences. In the visit to CGBIBT department, Plant tissue culture , Botany, Zoology, Microbiology, Biotechnology laboratories were observed. The student also visited CGPIT Institute where she was accompanied by **Dr. Rajkumar Patil** to various engineering departments. She attended the CGPIT & CNC Machine workshop during training of our university students under “Prime Minister Kaushalya Vikas Yojana”.

After visiting the CGPIT Institute our foreign guest was taken to the Maliba Pharmacy College, where she was accompanied by **Dr. Shrikant Joashi**. In the visit to MPC the Quality Assurance(QA), Quality Check(QC), Pharmaceutics, Pharmacology, Animal Physiology, Drug manufacturing laboratories were observed. Dr. Shrikant briefed our guest about complete production of tablets starting from formulation to animal study. Lastly, the animal house and botanical garden were visited where in botanical garden the views on importance of all traditional medicinal plants were exchanged and in animal house various

traits of animal behaviors were discussed. The day ended with photography session where our International guest enjoyed the appealing infrastructure of Uka Tarsadia University.

Message from Ms. Goodness to share her experience on visit to UTU

Great University, I am obliged by the laboratory facilities and level of research work that goes on and how research is massively encouraged in every field

Ms. Goodness

Interaction of Prof. Dr. R. Krishnamurthy (Director, C.G.Bhakta Institute of Biotechnology) with Ms. Goodness

Interaction of Dr. Shailesh A Shah (Director, Professor Maliba Pharmacy College) with Ms. Goodness

Interaction of Dr. Rajkumar Patil (Dean & Director, CGPIT) with Ms. Goodness

Departmental Visit accompanied by various faculties of Uka Tarsadia University
