

Dr. Samson A. Oyeyinka from University of Ilorin, Nigeria

Visit to UTU (CGBIBT) through C G Patel (Bhakta) Grant for Research in Biotechnology

Dr. Samson A. Oyeyinka, a Food Chemist, in the Department of Home Economics and Food Science, University of Ilorin, Nigeria joined C.G. Bhakta Institute of Biotechnology with a three-month scholarship awarded to him by C.G. Patel (Bhakta) Grant in Biotechnology.

The scholarship (April-July, 2019) was awarded to him to carry out a research work on **Shelf Stable Bambara Groundnut Milk Production** under Staff/Research Exchange Programme as a part of MOU signed between University of Ilorin, Nigeria and Uka Tarsadia University, India.

His research project was jointly supervised under the guidance of Prof. Olayinka R. Karim (Department of Home Economics and Food Science, University of Ilorin, Nigeria) and Prof Krishnamurthy (CGBIBT, UTU, India).

The Uka Tarsadia University wishes him the best in his future endeavor.
