## INDUSTRIAL VISIT REPORT (30<sup>th</sup> January 2020)

C. G. Bhakta Institute of Biotechnology,

Uka Tarsadia University

UKA TARSADIA  
university

**Industry:** Shree Chalthan Vibhag Khand Udyog Sahkari Mandali Limited, Chalthan

C.G.B.I.B.T. organised Industrial visit to Chalthan Vibhag Khand Udyog Sahkari Mandali Limited on 30<sup>th</sup> January 2020. Total 105 students from Integrated M.Sc. Biotechnology/Microbiology Semester VI visited the industry accompanied by Ms. Swetal Patel, Ms. Dixita Panchal, Mr. Bhrugesh Joshi, Dr. Pooja Patel and Dr. Kunal Naik.

The purpose of visit was to aware the students about functioning of Sugar industry.

We have started our journey sharp at 9:30 am from college and reached by 10:15 am at Chalthan Sugar factory. Representatives of the sugar factory Mr. Minesh Desai and their colleagues have explained about different processing areas like sugarcane collection, crushing and filtration and clarification units. Students have also visited the centrifugation and crystallization processes for the making of edible sugar crystals.
