Dr. Mitesh Dwivedi
Assistant Professor
C. G. Bhakta Institute of Biotechnology,
Faculty of Science,
Uka Tarsadia University.

Subject: Letter of Appreciation

Dear Sir,

Thank you very much for delivering the expert talk entitled, "**Altered Immune Response and Melanocyte Destruction in Vitiligo**" held on 20 August 2021. The talk was really interactive and was helpful to our master students. The graphical presentation and the pathways for the genetic factors for vitiligo got the interest of most students. The feedback from the students was very good.

We are thankful for sparing time and discussing with our students.

We look forward for your cooperation and promotion of professional education in future as well.

Thanking you

Invitation letter for Expert Talk

Date: 18-08-2021

To,
Dr. Mitesh Dwivedi
Assistant Professor,
Department of Biotechnology,
Uka Tarsadia University.

Dear Sir,

On behalf of Microbiology Department, I am very pleased to have the honor of inviting you to deliver expert talk and share your experience at our university as part of the Expert lecture series.

Department of Microbiology, Faculty of Science started working from July 2016. Department offers teaching and training at all levels including undergraduate (B.Sc.), and Post Graduate (M.Sc.) Programmes.

The Programmes covers a wide variety of topics in Microbiology while offering hands on laboratory training and research projects. Department is equipped with young faculties with varied interest in field of Biology. As per our conversation, we have planned your lecture on 20-08-2021. Target audience for lecture will be Masters students.

Please let us know your convenience and any other technological support.

Looking forward for exciting session.

Yours Sincerely,
