

Brief report of orientation programme conducted at various institute for GSBTM sponsored crash course at C. G. Bhakta Institute of Biotechnology (2021-2022)

With the intention to attract bioscience students of the south Gujarat region to pursue their Masters in premier Indian research institutes and Universities, GSBTM financially sponsoring for conducting an intensive crash course at C. G. Bhakta Institute of Biotechnology. The coordinator of the course is Dr. Gopal Jee Gopal.

The first step to this journey is to visit different colleges in south Gujarat and explain students as well as faculty about the purpose and intention to conduct this crash course. In the span of one month, visited bioscience department of different institutes and colleges.

The visit consists of two parts, first is to give a power point presentation to aware and inspire students about careers in science by giving examples of scientist and the discoveries made by them, the impact of scientific discoveries on human being, benefits associated with a career as researcher, what are the step by step procedure to become a scientist and then emphasizing the importance to get admitted to top institution for master in order to develop the path toward a successful scientific career. The examples and photos of candidates who have succeeded to secure the admission in top institutions and many more relevant information such as effort currently taken by GSBTM, vision of former Mission Director Mr. Subhash Soni, Present Mission Director, Smt, Gargi Jain(IAS) and Joint Director Ms. Ansuya Bhadalkar has been mentioned in presentation.. The second step is to conduct a screening test to select potential candidates for the crash course.

After the presentation and screening test, it was observed that students are very interested and ask what so ever the doubts they are having regarding the entrance exam conducted by different institutions like IIT-JEE, GAT- B, TIFR, II.Sc. etc. Moreover, few students have already made their application for appearing to above exams and are preparing for it, which is a very positive sign. Some aspiring student raise the concern of deposit amount but our team again explained them that the deposited amount will be given to them after successful completion of crash course and all requirements such as food, accommodation, study material will be provided free of cost.

In some of the institution we visited, the faculty of that institute also gives their feedback which makes the orientation more appealing to students. They motivated the students to have a high

visionary goals in their life by serving the mankind via choosing science as a career. We have conducted orientation in following institutions of South Gujarat region.

List of the institutions visited for conducting orientation programme:

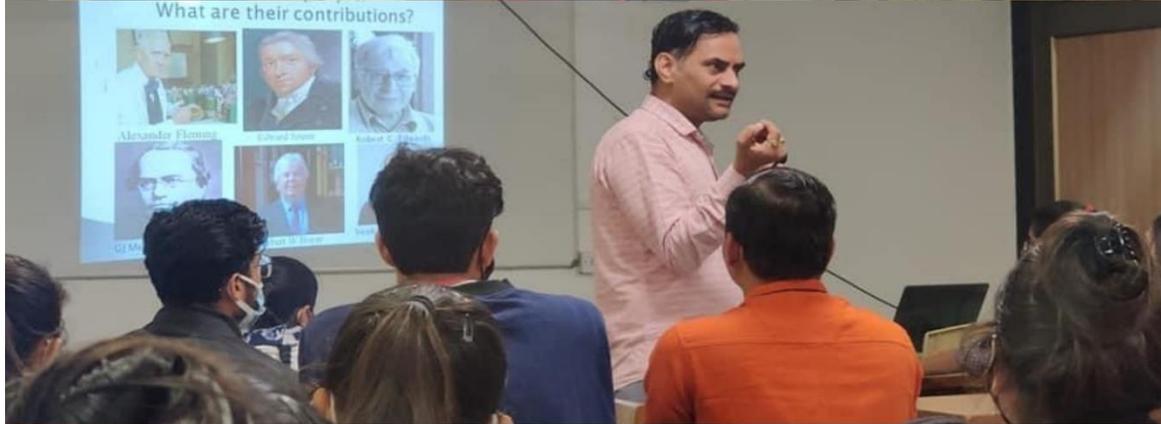

Sr. No.	Name of university/ college	Number of student attend orientation and appeared for screening test	Discussion with faculties	Date of Orientation
1.	Govt. Science college, Vakal (Botany, Zoology, Microbiology)	119	✓	14/12/2021
2.	CBP and JNM P Science college	63+8	✓	13/12/2021
3.	PP Savani University (Microbiology and Biotechnology)	71	✓	16/12/2021
4.	Patidar Gin Science college Bardoli	11(Ty) 22(Sy)+60(FY)	✓	23/12/2021
5.	Dept of Biotechnology, VNSGU, Surat	40(T.Y Micro.)+11(T.Y MB)+36 Biotech.	✓	21/12/2021
6.	KBS college, Vapi	60+8	✓	22/12/2021
7.	PT Science Women college (Vanita Vishram University)	105+46(SY)	✓	04/12/2021
8.	Vidhyadeep Institute of Science, KIM	31+29(FY)	✓	09/12/2021
9.	CGBIBT, Microbiology	25	✓	17/12/2021
10.	CGBIBT, Biotechnology	25	✓	17/12/2021
11.	Shree Ramkrishna Institute, Surat. (Biotechnology, Microbiology and Environmental science)	161	✓	13/12/2021
12.	Naranlala college, Navsari	91	✓	27/12/2021
13.	Govt. Science College. Valod	24(T.Y) +43(S.Y) +27(F.Y)	✓	30/12/2021
14.	Atmanand Saraswati, Science college, Varachha	39(S.Y)+50(T.Y)	✓	1/1/2022
	Total	1205		

Govt. Science college,Vankal((Botany, Zoology, Microbiology)

CBP and JNMP Science college, Surat

PP Savani University (Microbiology and Biotechnology)

Patidar Gin Science college, Bardoli

Dept of Biotechnology, VNSGU, Surat
