**Snaa Mistry**  
(Convener, UTU Orientation)

## **Purpose:**

The Orientation Program of faculty of sciences is designed to facilitate the academic, cultural and social adjustment for first year students. Program activities are linked to the Key Strategic goals of the University, namely enhancing the Student experience, developing excellence in learning, and encouraging participation of students from diverse cultural and social backgrounds. This is a student's first opportunity to experience a formal University event.

## **Orientation Program Components**

### **DAY 1: 25<sup>th</sup> July 2022, Manjula Hall**

Each year, the University Welcome to “New Students” marks the commencement of the Orientation Program. The orientation ceremony was attended by the new entrants and their parents. The student volunteers helped to organize the entire proceedings. The students were assisting in crowd control, stage activities and hospitality as well. The session began with the university song. Ms. Amita Rathod gave welcome speech followed by lamp lightening ceremony paying tribute to goddess saraswati. Video of UTU students sharing their experience of learning was shared on screen to freshers and parents.

Different sessions of eminent personalities were covered in programme to motivate fresher students.

## SESSION-1: Prof. Parth Parmar
