

Congratulations to **Ms. Firdosh Shah** (Ph.D. Student; under guidance of **Dr Mitesh Kumar Dwivedi**) for achieving **Young Investigator Award for Best Poster** presentation on **“Probiotic based induction of Fetal Hemoglobin and Anti-sickling effect in Sick Cell Erythrocytes”** with **Cash Prize of Rs. 2000/-** in **“12th India Probiotic Symposium on Good Microbiome, Probiotics and Good Health-The Evidence gets Stronger”** organized by Gut Microbiota and Probiotic Science Foundation (India), on 05th & 06th March 2022.

Dear Ms. Firdosh Shah,

Greetings from the Gut Microbiota and Probiotic Science Foundation (India).

We thank you for participating in the Young Investigator Award for the **12th India Probiotic Symposium "Good Microbiome, Probiotics and Good Health – The Evidence Gets Stronger "** on 05th & 06th March 2022. Your abstract was highly appreciated by the Governing Body of the Foundation and the decision to **shortlist 20 abstracts from the 68 abstracts** that were received for the award was very tough. We congratulate you to inform your abstract **was shortlisted** in the first 20 selection and as a token of appreciation we are giving **INR 2,000** to you. We request you to kindly submit the below details to transfer the said amount:
