## “National Voters’ Day”

India is a parliamentary democratic. In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitize them about the importance of participating in the electoral process. Government of India has decided to celebrate January 25 every year as "National Voters' Day". It has been started from 25 January 2011 to mark Commission's foundation day. The main purpose of the "National Voters' Day" celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Therefore to extend the awareness message about this, voter’s pledge was taken by the students of **C. G. Bhakta Institute of Biotechnology, Uka Tarsadia University** on **25/1/2022**. This activity was carried out by NSS unit of UTU.
