

Report of Online course in Recombinant DNA Technology (Batch-X)

We have successfully Conducted 10th batch of Online course in Recombinant DNA Technology (32 hours) with participants from NIT, IIT, Central university and other premier institutes also and not only from India but also from Nepal, Bangladesh and Ghana. There were 58 paid participants from all over India. This course was conducted live (Every day 3 hours in the evening) from **12/04/2021 to 22/04/2021**. We are grateful to my Provost, Dr. Dinesh Shah and Director, Prof. R. Krishnamurthy for giving me freedom to conduct this course. I am also Thankful to Prof. G. Naresh kumar, Prof. Arvind Deshmukh and Prof. Shailesh Dave for joining our inauguration and valedictory and addressing participants. I extend my gratitude to Resource person Dr. Ravi Vijayvargia Dept. of Biochemistry, MSU, Baroda) and Dr. Abhishek Sharma (C.G. Bhakta Institute of Biotechnology, Uka Tarsadia University)

Feedback shared by Participants

Swinal Patel

Thank you Sir..for creating such course and spreading ur best knowledge with students all over India and near by countries...Learned a lot sir 😊😊

This is the best workshop I've attended till now and I
loved it. I have literally enjoyed learning.
Sir, you truly care about your students.

Thank you so much, Sir.

Dr. Digvijaysinh Rana (HoD, Dept. of Zoology, ARIBAS, Anand)

"its really very good interactive and problem solving workshop"

MS. Neha Maurya(MSc. NIT, Durgapur)

"Well Structured course. Teaching is excellent, it's engaging and clarity in the concepts is amazing. I feel blessed to have decided to join this course. I learned a lot of things and gained good confidence as well. Overall, very much satisfied with the course. I will definitely recommend my friends to join in next batch."

Dr. Aswini Kumar Mishra(Post Doc. IIT.,Delhi)

"I joined this course for a revision of recombinant DNA Technology. I must admit that the topics and the details covered in these 11 days were at par with the whole semester course. I personally have been benefited a lot by revising the topics and definitely learnt many new things. Secondly, all the participants were provided enough time to discuss any query during and after the lecture. I would like to thank Dr. Gopal Jee Gopal for this beautifully crafted course structure"

Mr. Yeluru Mohan Babu(PhD Scholar, Indian Agriculture Research Institute, New Delhi)

"It's imparting good knowledge to who came from zero knowledge background

It's amazing workshop"
