

SWACHHAATA ABHIYAN
CLEAN INDIA MOVEMENT

VENUE- C. G. BHAKTA INSTITUTE OF
BIOTECHNOLOGY,
UKA TARSADIA UNIVERSITY

DATE- 12TH OCTOBER, 2021

- Importance of clean surrounding needs no separate explanation and its value is at peak now during this pandemic situation. Cleanliness found to be highly determinant factor to keep away diseases and boost positivity. Several well-known personalities expressed their opinion on maintaining clean surrounding as follows
- “Sanitation is more important than independence, So long as you do not take the broom and the bucket in your hands, you cannot make your towns and cities clean.” Mahatma Gandhi
- “Cleanliness and order are not matters of instinct; they are matters of education, and like most great thing, you must cultivate a taste for them”. Benjamin Disraeli.
- On the auspicious occasions of 10th anniversary of establishment of Uka Tarsadia University and birthday of Shri. B U Patel on 14th October, 2021, C. G. Bhakta Institute of Biotechnology performed institute cleanliness drive under the clean India movement on 12th October, 2021.
- Above cleaning activity is also a part of government of India initiative like Swachhaata Abhiyan and Clean India Movement.
- The planning regarding institute campus cleaning was discussed and finalized in the staff meeting held on 11th October, 2021 under the guidance of Dr. Prof. R. Krishnamurthy sir (Director, CGBIBT), Dr. Meonis Pithawala (HOD) and Prof. Rajashekhar Ingalhalli.
- The main intention of this programme was to emphasis vital role of clean and neat surrounding among the students and cultivates this important habit in young generation.
- Students from B.Sc. and M.Sc. (Microbiology, Biotechnology) and PGDMLT had participated in this cleaning movement.
- Students, faculty members, research scholars and non-teaching staff took part enthusiastically in cleaning of classrooms, practical labs, research labs, staff rooms and open area of the institute.
- Respective faculties seating in each floor (ground, first and second) involve themselves and instruct volunteers in cleaning.

- Ground floor consisting of 3 classroom, 4 practical labs, and plant tissue culture facility were cleaned under the participation and observation of Prof. R. Krishnamurthy, Dr. Meonis A. Pithawala and Prof. Rajashekhar Ingalhalli and other staff members along with students.
- First floor including 5 classrooms, 4 research labs, 5 practical labs and media-reagent preparation room were wipe and cleaned by teams consisting of students (Integrated M.Sc. Microbiology sem 7 and M.Sc. Microbiology sem 1, PGDMLT), non-teaching staff and faculties (Dr. Mitesh Dwivedi, Dr. Amaresan and others)
- Four classrooms and practical labs and couple of research labs in second floor were dedusted and cleaned by teams of students consisting of integrated M.Sc. Biotech sem 9 and M.Sc. Biotech sem 3 project students, non-teaching staff and faculties (Dr. Abhishek Sharma, Dr. Dhruiti Amin, Dr. Gopal Jee Gopal and others)
- Working platform, teaching boards, seating tools, faculty rooms, equipment's, fans, nearby vicinity and dustbins were taken care during cleaning activity.
