

International Women's Day Celebration at C. G. Bhakta Institute of Biotechnology,

Uka Tarsadia University

March 8th, 2022

On the occasion of International woman's day, Women cell and committee against sexual harassment C.G. Bhakta Institute of Biotechnology, Uka Tarsadia University arranged expert talk for final year students (Int. M. Sc. SEM X & M.Sc. SEM IV Microbiology/ Biotechnology) on 8th March, 2022 under the theme "Gender equality today for a sustainable tomorrow". Session was coordinated by Ms. Shreya Desai and Ms. Swetal Patel and overall **83 students (68 Female and 15 Male)** were present.

Two expert talks were organized under the heading of "Work, family and personal life balance.

First expert talk delivered by **Prof. Rajashekhar Ingalhalli**. He taught students about work-life balance: what it is and why it matters in one's life. He shared several examples and his life experiences with students.

Dr. Giftson Senapathy has delivered the second expert talk of the session. The session was very much informative Dr. Giftson has discussed the role of women in society and the importance of woman in our life. He has also covered some life experiences and sort moral stories to make the session more interesting. Overall he raised the awareness about the status and dignity of women among the students.
