Online certificate course in Recombinant DNA Technology (Batch-24th)

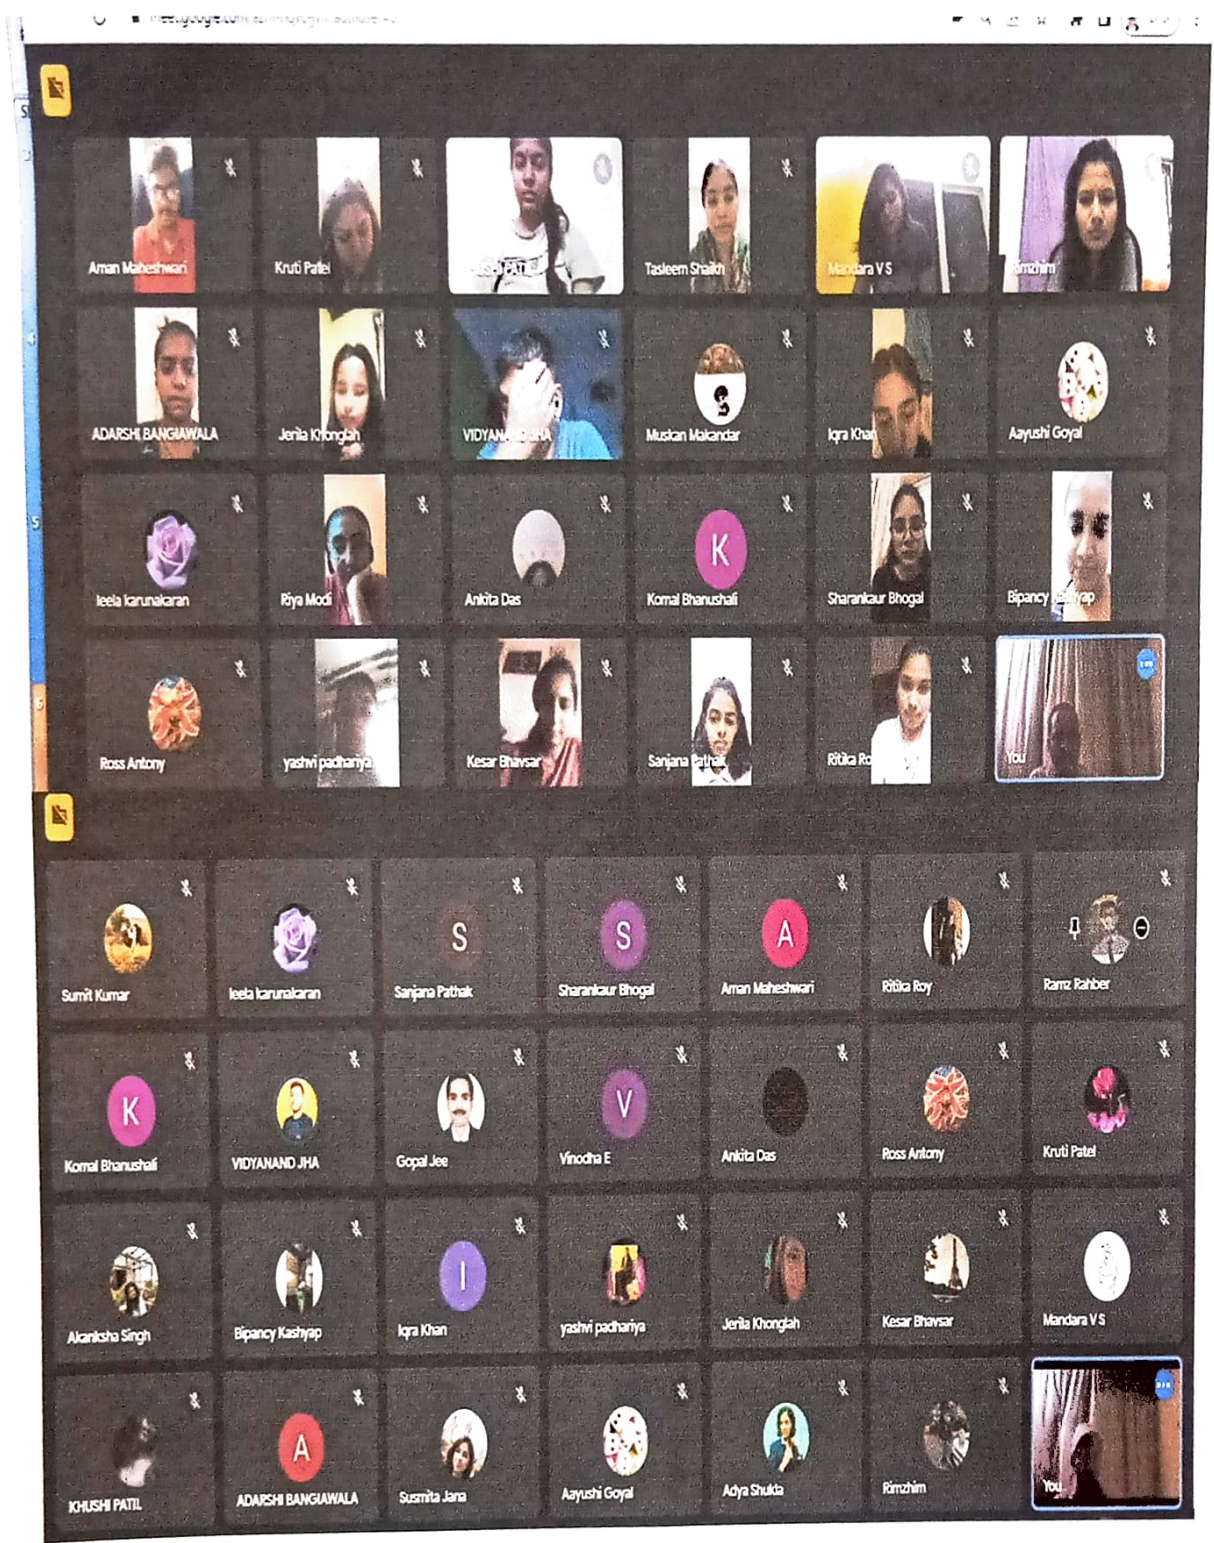

Online certificate course in Recombinant DNA Technology (Batch-24th) has been successfully conducted from 18th April to 4th May by Dr. Gopal Jee Gopal. Participants were from all over India and ranging from UG students to Scientists and faculties. In addition to Dr. Gopal Jee Gopal, Dr. Ravi Vijayvargiya, MSU Baroda and Dr. Abhishek Sharma, IARIGandhinagar has also delivered lecture (2hours each). Dr. Jyoti Vihas, Associate Professor, IARI, Gandhinagar and Prof. Pravin Kumar Verma, Professor, School of Lifesciences, Jawaharlal Nehru university have joined valedictory and Listen the oral feedback of participants and then addressed the participants. We thank our Director, Prof. Dr. R. Krishnamurthy and honorable Vice Chancellor, Dr. Dinesh R. Shah for all the freedom to execute te programme successfully.

Feedback shared by few of the participants may be read here.

1. **Leela K, PhD Scholar, Women;s Christian College, Chennai** “Insightful and informative course. Learnt a lot of new techniques, strategies in rDNA technology. I would like to thank Gopal sir for his sincere and continuous efforts in imparting us with the knowledge on complete aspects of rDNA technology. Assignments and quiz also helped us to understand and recollect the information learnt. Overall, It was a great learning experience. Would definitely like to attend more such courses in future”
2. **Vinodha E, MSc. Biochemistry, Krishtu jayanti college, Bangalore** “ Each and Every class were fruitful’.
3. **Vidyananad Jha, BSc. C.D.Patel and JNM patel college, Bharthana Vesu, surat** “I am very happy to know about this course and I always wanted to gain knowledge at a place where I get information outside the syllabus. I got some new information in the field of biology. I also came to know about some things at the molecular level which sometimes surprised me and my interest is definitely bigger in the area and for that I will be grateful to you. And I would humbly request you that in future you keep giving me guidance so that I can make my life successful”.
4. **Ms. Akanksha Singh, M.Sc. (Gold medallist), Department of Botany, TNBU, Bhagalpur.** ‘Highly informative and the interactions make it easier for students to learn new concepts”.
