

Congratulations to **Ms. Mashira Pathan** (M.Sc. Microbiology Student; under guidance of **Dr Mitesh Kumar Dwivedi**) for securing **First Position in Poster Presentation** on **“Study of Antifungal Sensitivity in Dermatophytes obtained from skin samples from Superficial Dermatophytosis”** at National Conference on Recent Advances in Sustainable Approaches for Biological Sciences (RASA-Bio 2024) organized by Department of Biotechnology, Veer Narmad South Gujarat University (VNSGU), Surat, Gujarat India during 29th – 31st January 2024.

RASA BI@ 2024

Certificate of Achievement

This is to certify that

Mashira Pathan

C.G. Bhakta Institute of Biotechnology, Uka Tarsadia University

has successfully presented paper (Oral / Poster) entitled

Study of Antifungal Sensitivity in Dermatophytes obtained from
skin samples from superficial Dermatophytosis.

in the National Conference on

Recent Advances in Sustainable Approaches for Biological Sciences

(29th – 31st January 2024)

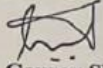

Secured 1st Position (Theme: Frontiers in Microbial Sciences)

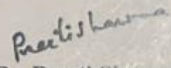

Sponsored by Defence Research and Development Organisation (DRDO),

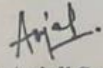

Ministry of Defence, Government of India, New Delhi

and organized by

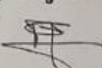

Department of Biotechnology, Veer Narmad South Gujarat University, Surat, Gujarat
