

## Report on

### Online certificate course in Recombinant DNA Technology (Batch-25<sup>th</sup>)

Online certificate course in Recombinant DNA Technology (Batch-25<sup>th</sup>) has been successfully conducted from 4<sup>th</sup> July 2023 to 14<sup>th</sup> July 2023 by Dr. Gopal Jee Gopal. Participants were from all over India and ranging from UG students to Scientists and faculties. Two participants were from German university also. In addition to Dr. Gopal Jee Gopal, Dr. Ravi Vijayvargiya, MSU Baroda and Dr. Abhishek Sharma, IARI Gandhinagar has also delivered lecture ( 2 hours each). We thank our Director, Prof. Dr. R. Krishnamurthy and honorable Vice Chancellor, Dr. Dinesh R. Shah for all the freedom to execute te programme successfully.

Feedback shared by few of the participants may be read here.

#### 1. Shivam Bhanushali: Student at Maharaja sayajirao University, Baroda

"I'm very pleased to attend this course in RDT. I have learned a lot and gained so much knowledge from the classes. Specially I'm very much honoured to be taught from Gopal Jee Gopal Sir. Thank you so much for these wonderful sessions.

#### 2. Disha Rakholia, Pursuing master in molecular biotechnology at Anhalt University of Applied Science, Germany.

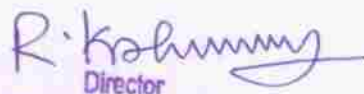

"I'm very happy to attend this course on Recombinant Dna technology.this course was very useful to understand the insight of DNA technology. I learned a lots of things.thank you so much Gopal jee Gopal sir for this wonderful course. this course are going to help me in my future"

#### 3. Sonali Bhoi, Internship trainee at Rapture Biotech International Pvt Ltd.

"I am very happy to attend this program! I learnt a lot in Recombinant DNA Technology ,as generally students from life sciences background avoid the calculation parts,and also some thoughts that it's complicated but I learnt here and now I can do it so it gave me confidence to solve that calculation part and also learnt other topics. Gopal sir's way of teaching, and other things make him a brilliant educator.Thank you so much Gopal Jee Sir for such an informative course."

#### 4. Purvi Bangoria, Research Scholar at PG Department of Biosciences, Sardar Patel University

"It was very helpful to attain RDT course for me as it refreshed my knowledge regarding the same. Dr. Gopal sir was very keen to provide practical knowledge too. His way of teaching was amazing as he was not only conducting the lectures but also encouraging participants to interact. I would highly recommend other interested candidates to attain this program. I thank you ( Dr. Gopal) sir for conducting this informative program"

**5. Naman Jain, Student at Shiv Nadar University,**

“This is a very good initiative by gopal sir to encourage every student to not only learn but to really question and understand their stuff.I learned a great deal from this course. The consistency of the content as well as the volume of information was just right.To be honest this course cleared many doubts in my head and gave me a very clear picture of how our scientists have worked their way unlike just reading content from a book”

**6. Bharti Bhardwaj, Student of Guri jambheswar University, Hisar**

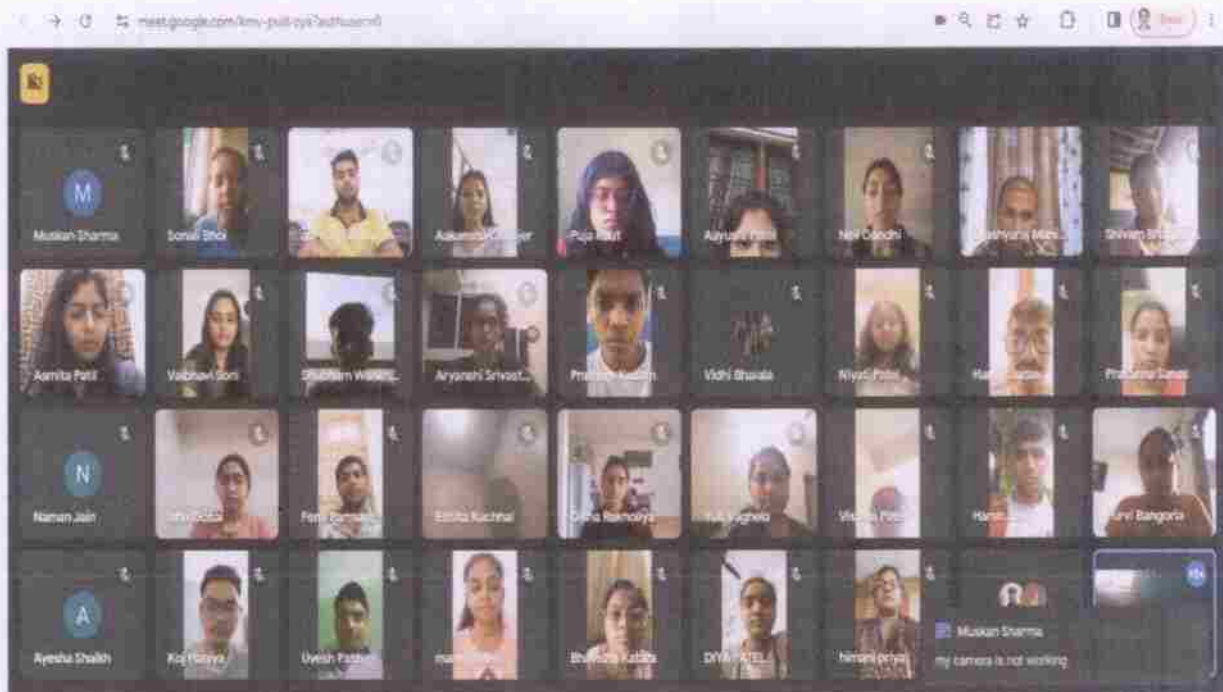

“This was my first online internship and i learned a lot from this programme .I feel so lucky that i got this opportunity .Gopal sir taught in such a manner that even advanced concepts were easy to grasp and sir taught in very interesting way . I am really grateful to Gopal sir.”

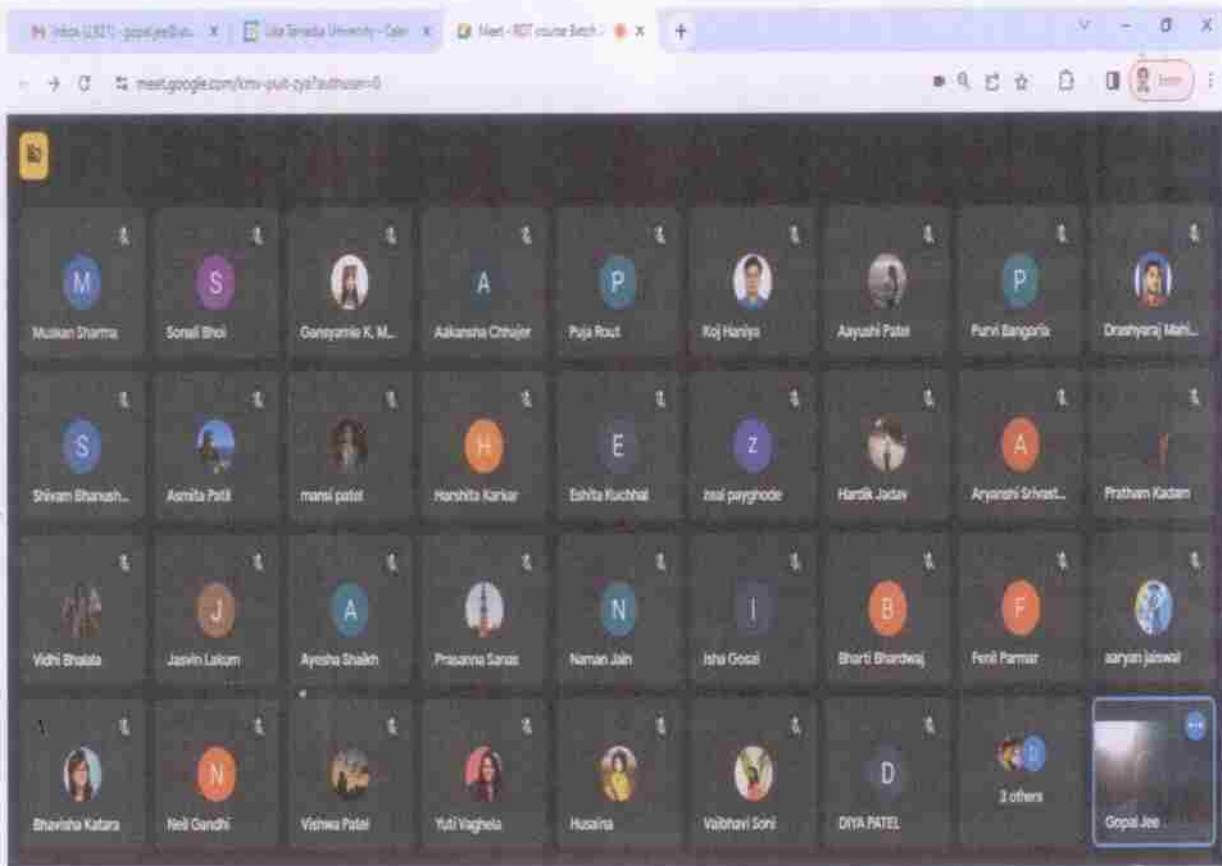

**7. Haniya Khoj, PhD Research scholar at Indian agriculture research institute**

“It was a very informative course for RDT, I hope I will be able to use the knowledge I acquired from this training course in my micrpbiological research.. all thanks to Gopal sir..

**8. Fenil Parmar, Junior Research Fellow at GBRC, DBT-BET 2023, GATE-XL, IIT JAM**

“It was great experience in this Online course for RDT. Thanks Sir for conducting this type of courses. Good to start..”
