

## **Plant Tissue Culture Camp**

**organized by**

**C G Bhakta Institute of Biotechnology (CGBIBT), Uka Tarsadia University**

C. G. Bhakta Institute of Biotechnology, under the auspices of Maliba Research Centre for Excellence in Tissue Culture, organized for the first time a 3 day Training Camp in Plant Tissue Culture from 12<sup>th</sup> May to 14<sup>th</sup> May 2014. The attendees were science teachers from higher secondary schools, Biotechnology students, research scholars and teachers from Nigeria carrying out research in India.

The objective of the Training Camp was to transfer scientific knowledge and develop entrepreneurial skills in Plant Tissue Culture industry.

Looking at the active participation and positive response, Uka Tarsadia University is planning to conduct similar and advanced training camps periodically in future.

UTU appreciates the sincere efforts of Prof. Rajashekhar Ingalhalli, Training Coordinator and other staff members of CGBIBT for making the training camp successful.

Prof. Dr. R. Krishnamurthy

Director, CGBIBT

Plant Tissue Culture Training Camp 12-14 May 2014
