

Study Tour - 2012

Our institute has organized our study tour as a part of our learning to dairy industry, research institutes, botanical garden etc. It was such a wonderful experience.

Our visit like Pasteur institute and botanical garden to ooty was organized on 17 sep 2012. We were about 102 students got the experience to visit such a wonderful institute like Pasteur institute. After that we visited to botanical garden on the next day of our journey. From there we left Ooty and headed towards Mysore, at there we visited to Mysore palace and pure silk manufacturing unit. Our next destination was Bangalore at there we visited to some of the research institutes and Bangalore dairy. Bamul Dairy was such a wonderful experience for us. It was such a wonderful experience and from Bangalore we reached to surat on 24 sep 2012. It was nice journey and experience it's memory will remain for a very long time.
