

An Act of Kindness-Distribution of Books and Stationery to Government School Students.

A very humble step was taken forward by the Social Service Club and NSS Club of Uka Tarsadia University, Bardoli. The students of C.G.Bhakta Institute of Biotechnology, UTU, visited a government primary school at Mota village of Bardoli, Taluka on 16th Feb. 2017 and distributed books and stationery items to around 200 students studying there. This innovative step was initiated and guided by Mrs Moksha Dave and Dr. Goal Jee Gopal. The student volunteers were lead by Mr. Vinit Jani and Ms. Roma Patel while around 18 student representatives and coordinators participated in this event generously.
