

Awareness Drive on Cleanliness at 'Nizar' Village

Nizar is an adopted village by the Science unit of NSS of Uka Tarsadia University for carrying out various social outreach activities. On the occasion of celebration of “SwachhataPakhwada”, triggered by Government of India, the Science unit of NSS of Uka Tarsadia University, conducted cleanliness awareness program at nearby ‘Nizar’ village on 12th August 2017.

About 50 NSS volunteers led by Dr GopalJeeGopal, program officer, took out a rally to Nizar village of Bardolitaluka to create awareness about cleanliness, sanitation and personal hygiene among the residents of the village. The rally went around the village shouting slogans of ‘SwachhhBharat’. The volunteers carried placard with slogans emphasizing the importance of personal and public hygiene.

The school students and residents of Nizar village were addressed by Dr GopalJeeGopal and Sarpanch and were requested to make the village free of open defecation. The sarpanch also promised to organize dustbin in several parts of the village to gather the waste on day to day basis and send the same to recycling centres. The volunteers returned to the campus with a satisfactory look on their face.
