

## “Social Service Activity at Surat”

There is a close relationship between society and man. They are interdependent. All citizens should realize their duty towards society and should try to inculcate the spirit of social service among children. Social service camps should be frequently organized at convenient times. These activities provide a good opportunity for students to develop the habit of doing social service. India needs citizens who can volunteer their services for the good of the nation. 4 students (**Patel Dharmin, Khalifa Haroon, Rathod Chintan and Rana Smit**), guided by one Faculty Member (**Ms. Vrutika Lad**) and motivated by Director **R.
