

WORLD CANCER DAY CELEBRATION

The Women Cell of UTU in association with Shrimad Rajchandra College of Physiotherapy celebrated World Cancer Day by organizing a series of lectures and screening program. The programme was organised from 4th to 9th February 2019 .This innovative step was initiated by Dr. Nipam Chauhan, Chairperson, Women Cell, UTU and Dr. Niyati Desai, Chief Coordinator, UTU in order to create awareness among the girls of various institute of Uka Tarsadia University regarding Breast Cancer and Cervical Cancer. As a part of this lecture series, girls from C.G.Bhakta Institute of Biotechnology also participated. The whole program was coordinated by Ms. Shraddha Saha, Coordinator, Women Cell, C.G.Bhakta Institute of Biotechnology, Uka Tarsadia University. Dr. Neha Patel, MS(Obstetrics and Gynaecology) from Sisoodeep Hospital Bardoli was the speaker of the Programme which was held on 7th February 2019. She basically focused on the causes, detection, precautionary measures and related vaccination of breastcancer and cervical cancer .The lecture was attended by more than 200 participants from C.G.Bhakta Institute of Biotechnology. The whole lecture was very interactive.
